

Emily the Entrepreneur Contest Entry
Author – Bayly E Gobien of Hinsdale Central,
Teacher Mrs. Badanes', Grade 4

Do you have to clean all day? Do you struggle to clean those hard -to-reach spots? Well, now the struggle is over! Buy my new room -cleaning robot! It comes in all colors, adjustable sizes, and it has all cleaning appliances known to man! All you have to do is charge its re -chargeable battery. It, also, cleans those hard -to-reach places. It, also, cleans any room no matter how messy.

Kids hate cleaning rooms so buy them this! Have any room cleaned for the low, low price of \$25.99! I will advertise it on t.v.; people will see it in newspapers and in magazines. My employees will work in 5 hours shifts, 5 days a week. All in all, my product, the "Room -Cleaning Robot" will be a huge success.
