Dream Theater Animation

Hi my name is Phoenix and I want to start a video game store. First, I will need wood, glass, metal, and brick. Wood and glass will help me build the walls and the windows. Metal and brick will help me build the shelves and the floor.

Second, I will build my store in Belmont. My store will be at Main. St in Belmont. I will live near my store.

Third, I will need to open a bank account. I will need to pay my employees. The bank account will help me pay my bills.

Fourth I will have to advertise. Bill boards are one of the ways I will advertise. TV is another way I will advertise

Fifth I will have to hire people. If the employees do well for a month they will get a free game. They will get paid the first week.

Sixth, I will have to pay my employees .They will get paid minimum wage. If they do great they get paid more.

Eighth, I will have great deals. First, time t here you get a free video game. I will also have the deal buy one get one free .That is all the things I need for my store.
