

Emily the Entrepreneur Contest Entry
Author Rose Bliss of Genesee Valley Central School,
Teacher Mrs. Musingo, Grade 4

My business will be to own a fashion store. I will have my store in Belmont, or Angelica, because Belmont has no fashion stores around, Angelica has no fashion stores either.

I will need shoes, shirts, pants, skirts, hats, sweatshirts, and, tank tops, jewelry, all sorts of makeup, under clothes, coats, earrings, and purses. People such as women, teenagers, or young kids might come, and buy my services.

I will pierce ears, put on fashion shows, and sell retail clothing. I think my businesses will be a good business because a lot of people need clothes to wear for warmth, and so they don't come to school with no clothes on their back, and so the people that live in Belmont don't have to go to Wellsville or Olean to get clothes for school. Usually the mall is packed Wal-Mart is too. This will save on gas.
